ICY BOX **IB-CB033**
USB 3.2 (Gen 2) Type-C® to USB Type-A & Type-C® cable

Powerful USB-C cable

The IB-CB033 is a high-performance USB Type-C® to Type-A cable that supports the USB 3.2 (Gen 2) standard. Accordingly, it transfers data at a rapid speed of up to 10 Gbit/s. This gives you fast access to photos, videos and other files without long delays.

Everything in perfect order

At 350 mm, the IB-CB033 is pleasantly short to connect devices at your workstation without being a nuisance on your desk. So your workplace always looks neat and tidy. And with the integrated adapter to USB Type-C, the cable fits in most cases.

Reliable connection

Windows®, macOS®, Android ... regardless of the operating system, the IB-CB033 cable from ICY BOX® reliably connects your devices, that feature a USB Type-C® port. MacBook, Surface and even common smartphones are no problem. The Type-C connectors fit perfectly without wobbling and always provide a secure connection.
