Multimedia Speakers Z533

Powerful sound that moves you.

- 120 watts peak power (60W of RMS power)
- Front-facing subwoofer
- Multiple connectivity inputs
- All-access control pod
- Backed by 30 years of research and experience

Powerful sound that moves you. With 120 watts* of peak power, the Logitech® Z533 Multimedia Speaker system unleashes powerful acoustics with rich lows and detailed highs for robust, room-filling sound. Take your music, movies and games to the next level with rich, dynamic bass thanks to the front-facing subwoofer with 2.25" (5.7 cm) full-range drivers. Easily command your sound using the wired control pod, which allows access to essential speaker controls such as power, volume and bass, along with a headphone jack and extra 3.5 mm input. Multiple connectivity inputs, including 3.5 mm and RCA, let you connect and listen to almost any device with an audio output, such as a computer, tablet, smartphone — or even a TV.

* 60 watts RMS power.
