DATASHEET / BROCHURE

Tick all the boxes with this bright and scalable display solution that offers multiple connectivity and is simple to set up.

Maximise your presentations with this bright Full HD projector that's capable of producing a large and scalable screen size. The long-lasting lamp provides years of lessons before a replacement lamp is required or the air filter needs attention. It's easy to set up and offers a range of connectivity solutions, so you can quickly access content from multiple devices.

Excellent visibility for every presenter

With this Full HD projector content will be bright, vivid and clear ensuring that everyone can engage with the lesson. Providing excellent visibility, this projector is scalable up to 300 inches and is bright even in high ambient lighting conditions. It's all thanks to the high 4,000-lumen output and 16,000:1 contrast ratio.

Easy set up

Every working environment is different so you need a projector that is simple to set up and position. With our wide 1.6x optical zoom and vertical/horizontal keystone correction, it's easy to get up and running quickly.

Minimal maintenance

When resources are limited, our reliable projectors and long-lasting lamps (17,000 hours in Eco mode) help to eliminate downtime and unnecessary service costs. Imagine what you could achieve with minimal interruptions - our projectors provide years of use before a replacement lamp is required.

Utilise multiple devices

Capture your audiences' attention and nurture a collaborative environment with hassle-free connectivity solutions. With the iProjection App¹, it's easy to display content from PCs and smart devices. The split-screen function can be utilised to show content from multiple devices simultaneously, while the moderator function lets you review content before it is displayed.

High-quality sound

This projector has a built-in 16W speaker to allow audio content to be heard clearly, without the need for additional external speakers.

KEY FEATURES

- **Full HD bright and vivid wireless display**
3LCD technology and equally high White and Colour Light Output
- **Minimal maintenance**
Years of uninterrupted use before maintenance is required
- **Stream and share connectivity**
Built-in wireless connectivity and Screen Mirroring
- **Smart cost savings**
Lamp life up to 17,000 hours in Eco mode
- **Collaborative features**
iProjection App¹, split-screen function, moderator function
