

NBS-100 - high quality notebook stand

The NBS-100 is a high quality notebook stand that is suitable for all common notebooks. It can be adjusted in height in 4 steps (90-113mm, 23-30°) and contributes passively to the cooling of the notebook due to its open frame design.

Thanks to its compact dimensions, the NBS-100 fits on almost all work surfaces, which makes it the perfect companion in the notebook bag. The matching transport bag for the notebook stand also makes it easy to stow away.

Large rubber pads also protect the notebook and the work surface from scratches and prevent annoying vibrations that can arise when working with the notebook.

- ✓ For all common notebooks
- ✓ Height adjustable in 4 steps (90-113mm, 23-30 °)
- ✓ Open frame design
- ✓ Compact dimensions, ideal for transport
